IBMS Accredited MSc Degrees
24 August 2020
Within the current membership structure the Institute accredits master degree qualifications which enable eligible members of the Institute to be recognised as Chartered Scientists.

Please contact the relevant Liaison Officer for information on their course including a description of the aims and content and also for the entry requirements. Updated information is published in The Biomedical Scientist.

Enquiries about enrolment should be made via the Universities and Colleges Admissions Service (UCAS). [Tel: 0371 334 4 447; Website: www.ucas.com].
